

Vocabulary Video Challenge

1st December 2022 to 8th January 2023

We invite grade 8 to 12 students to create a short video to teach and help the viewer understand any of the words featured in our Word of the Day column in the last few years.

Your video should help the viewer learn the word, its meaning, part of speech and its pronunciation. You can act it, use animation, puppets, draw, apply other creative ideas such as song and dance, or anything else that you can think of.
